Dear Mr. Tibbe -

How extremely kind
of you to have sent that exquisite
cyclamen - It is more than
lovely - we are both enjoying
it thoroughly - alas, only two
of us - as Mr. Consolo had to
leave on Tuesday for Brussels.
But I shall tell him about his
share in the pot of flowers &
forward your New Year's greetings
to him - Thank you very

much indeed - It was decidedly
a delightful sensation to be
greeted with such lovely flowers
the first thing on the New Year
+ we will take it as a happy
omen! -

Mother joins me in very
kindest greetings to you - &
with our very best thanks -

Yours sincerely
Nathleen Parlow.

Happy New Year!
